

The Love of Christ is Rich & Free

The love of Christ is rich and free;
Fixed on His own eternally;
Nor earth, nor hell, can it remove;
Long as He lives, His own He'll love.

His loving heart engaged to be
Their everlasting Surety;
'Twas love that took their cause in hand,
And love maintains it to the end.

Chorus: Love cannot from its post withdraw;
Nor death, nor hell, nor sin, nor law,
Can turn the Surety's heart away;
He'll love His own to endless day.

Love has redeemed His sheep with blood;
And love will bring them safe to God;
Love calls them all from death to life;
And love will finish all their strife.

He loves through every changing scene,
Nor aught from Him can Zion wean;
Not all the wanderings of her heart
Can make His love for her depart.
(Repeat chorus)

At death, beyond the grave, He'll love;
In endless bliss, His own shall prove
The blazing glory of that love
Which never could from them remove.

Worship: Trinity Grace Church exists to glorify the triune God, to offer worship to Him in Spirit and Truth, to build up the body of Christ in grace and to be used by Him to bring those who do not know Him into a state of grace.

The Call to Worship: The worship service begins with a scriptural "call to Worship". These are God's own words spoken to His people. We are reminded that God always takes the initiative. He comes toward His people first, in grace. Worship is a reflexive and deliberate response to His gracious call.

The Hymn of Praise or Approach in Praise: Our opening hymns or chorus' focus on giving praise to our God - Focusing on who He is or what He has done or reminding us that it is good and proper to give Him praise because He is worthy.

The Invocation: This prayer exalts the Name of the Lord and invokes His presence and communion as we come to worship Him.

The Confession of Faith: Jesus says, "Everyone therefore who shall confess Me before men; I will also confess him before My father who is in Heaven." We have been given "the faith once for all passed down to the saints" and we thank God for the preservation of His Truth.

Old/New Testament Reading: If the message is from the New Testament we will read from the Old and vice-versa. These are not two different books but part of God's unfolding plan of redemption.

Hymn of Faith: This hymn focuses either on God's faithfulness to us throughout the ages, on our responsibility to respond in faith, or the many reasons for our faith.

Offertory: Giving of our resources or gifts is an act of worship.

Children's Sermon: We believe that children are a part of the church and we desire to train them to listen to the Word of God.

Hymn of Preparation: This hymn is meant to turn our minds toward, and prepare our hearts for, the preaching of the Word.

Pastoral Prayer: One of the main roles of the elder is to pray for the flock under his care and corporate prayer is an important aspect in this.

Sermon: Our practice is to read, teach, explain, and apply the Word of God as we work through a book of Scripture.

Hymn of Response: We sing in response to God's Word revealed to us.

Benediction: The blessing of God upon His People.

People: Our Mediator was called Jesus, because he saved his people from their sins.
